

SonShine Christian Kinder-Prep School

The total remaining financial need to finish, furnish, and open the doors of the school is \$140,000.00. The greater part of that amount is needed for the school's start-up expenses. We need to purchase the necessary furnishings for the classrooms, pack a container, and then ship the container to Jamaica by the end of this year. Your help is very much needed and greatly appreciated.

The purpose for the school is (1) To use the school as a tool for witnessing to families and bring them into a relationship with Jesus Christ; (2) To Provide Christ-centered educational opportunities for 3-5 year old children in the Old Harbour community; and (3) To help the Church of Christ in Old Harbour grow numerically and financially in order to become totally self-supporting. A detailed listing of "Start-Up" items is contained in our "Business Plan" for the school at www.herkomission.org.

Mission Teams Enhance Ministry in Old Harbour

Three mission teams recently worked with us at the Church of Christ at Old Harbour. The first team (July 9-17), was from the Center Pointe Christian Church in Liberty Township, OH. The team was led by Jeff Schlueter and Mark Roberts. They ministered to over 150 high school boys and girls through a basketball camp. At the end of the week, an invitation was offered and 8 young men were baptized into Christ! The basketball camps at the Old Harbour Church have gained national notoriety. The camps have been featured twice on the national TV station CVM. Also, the Old Harbour High School uses the Church's court for their home games. The second team (July 16-23), was from the Lakeside Christian Church in Lakeside Park, KY. The team was led by Craig Crynes. They ministered to high school students from the church and from the Old Harbour community through playing games, through one on one discipleship, and through group devotions. The third team (July 23-30), was from the North Terrace Church of Christ in Zanesville, OH. The team was led by Beth Newland. They ministered to children through a Vacation Bible School program.
